

SLS raise £1000 for Children with Cancer

SLS personnel and customers attended the Children with Cancer Charity Ball on Saturday 19th November. Hosted at the Grosvenor House Hotel in London, it was a celebrity event with spectacular entertainment and fantastic prizes in a Grand Auction.

As an official back of shirt sponsor for Hull City AFC, SLS donated a Nick Barmby shirt, signed by the team to the Children with Cancer Charity Ball. The shirt raised a fantastic amount of £1000, which went towards the grand total of £220,623.

“SLS have once again supported Children with Cancer by purchasing a table for the ball, it was great to be invited to sit with the team and meet colleagues from other institutions” said Kay Tott, University College London. “It was especially rewarding as a Ball Committee member to see and experience everyone enjoying the event. It was wonderful to see everyone dressed up in all their finery and to chat in a completely different atmosphere, forging stronger relationships with is not always possible in a working environment.

SLS very generously donated a Hull City AFC Shirt for our auction, which raised £1000, more than the signed Arsenal, Chelsea and England shirts! The total raised at the event from the auction, raffles and tombola was £220,623 which was magnificent.

It is fantastic to get so much support and this makes the endless planning meetings worthwhile when the event is so successful.”
