

Buy 4 PIPETMAN M and get charging stand FREE

Lightweight and extremely comfortable, the PIPETMAN® M is a fully motorised pipette that requires virtually zero pipetting forces to aspirate and dispense samples. The POWER CARROUSEL is a slim design charging solution for up to 5 PIPETMAN M that provides optimum protection from shocks and contamination and guarantees continuous work.

Get the POWER CARROUSEL FREE when you buy 4 PIPETMAN M pipettes.

How to order: Simply quote the part number of the four pipettes and POWER CARROUSEL to receive this offer.

Get 10% off the new PIPETMAN® M Multichannel and 2 FREE cases of filter tips

The new PIPETMAN® M Multichannel is the most advanced, simplistic motorised pipette from Gilson. It is so easy to use with its intuitive software one button operation that it won't change the way you pipette.

How to order: Simply quote the part number of both the PIPETMAN® M Multichannel and the two Filter packs to receive this special offer.
