Looking for that Germ Free Work Area?

Well now you can stop, as we have the solution!

When you buy 2 SLS SELECT Surface Cleaner wipes for a special price of £8.75 each...

... we will send you a **FREE** 400ml pump of Cutan Gel Hand Sanitiser[#]

Cutan Gel Hand Sanitiser is:

- Effective - provides a broad spectrum of activity against yeast, moulds, bacteria and viruses, meets the requirements of EN1500, EN1275 and EN1276. It also disinfects physically clean skin as it's specially formulated with ethyl alcohol and propyl alcohol.
- Quick Drying - dries in approximately 30 seconds to leave the skin sanitised and pleasantly conditioned
- Easy to Use - gel quickly spreads on the skin to allow for quick and effective use
- Dermatologically tested - formula has been tested to prove it is non-irritant. Plus it has added emollients which contains glycerin and panthenol to minimise the drying effects usually associated with alcohol rubs
- Glove Compatible - can be used prior to applying gloves

SLS SELECT Surface Cleaner Wipes

Ideal for medical environments, SLS SELECT surface cleaner wipes are formulated from a solution containing w/w 70% Isopropyl Alcohol.

They are effective within one minute of use against:

- gram-positive and gram-negative bacteria
- most viruses, such as:
 - MRSA
 - E.Coli
 - Listeria
 - Salmonella
 - HIV
 - TB
