Berkshire Durx® Cleanroom Wipes

- Durx® 670 wipes are an ideal choice for a general purpose cleanroom wipe, manufactured without the use of binders or surfactants, ion levels and organic extractables remain low
- Durx® 770 wipes are ideal for cleanrooms which require the absorbency associated with many non-woven wipes but where cellulose fibres may need to be closely controlled, the polyester/cellulose construction has been chemically treated to ensure that fibre loss is minimised
- Recommended for use in ISO Class 5 (Class 100) cleanroom applications
- Absorbent low particle work surface material Ideal for cleaning work surfaces and spill pickup
- Wipe dimensions, w x l: 230 x 230mm

Supplied in packs of 300
