## Labsit Stool

The Labsit lab stool is on hand wherever you need it. It is the uncomplicated solution for short periods of sitting. However the Labsit lab stool is in no way inferior to the swivel chair when it comes to laboratory suitability. It is washable, resistant to disinfectants and robust. The PU-foam upholstery is very comfortable.

- Seat is designed to offer maximum space
- Sit on the stool in any direction
- Infinitely height-adjustable, can be easily operated using the rotating release ring
- Ergonomic construction
- Comfortable and wear resistant
- Suitable for cleanrooms in air purity class 3, acc. to EN ISO 14644-1
- Meets the specifications of the GMP regulations
- Black polyamide base with castors
- Base Ø: 640mm
