Sartorius Optifit Pipette Tips

SARTORIUS

Sartorius non-filtered Optifit tips provide optimum fitting and sealing and are compatible with the Optiload feature in Sartorius Biohit Picus, eLINE®, mLINE® and Proline® Plus pipettes ensuring light and ergonomic attachment. Optifit tips are available in various packaging types for all your needs:

- Single tray racks - purity certified
- Refill packs - purity certified and ecological
- Refill towers - space-saving and ecological
- Flexibulk packs - space saving and economical
- Optifit tip trays are colour coded for easy matching with a corresponding, colour coded Sartorius Biohit pipette
- Purity certified tips are manufactured in ISO 8 classified clean room conditions to avoid any contamination and are tested for DNase, RNase and endotoxins per each tip lot
