

## Black Reusable Nanotech Face Mask

Nanotech coating provides a water resilient layer that prevents droplets filtering both in and out of the mask.

- Nanotechnology coated layer for maximum protection
- Reusable and can be washed up to 100 times - saves money and the environment!
- Low-profile, sleek pattern design that hugs the face and isn't bulky
- Ethically sourced fabrics
- UK based company
- 82% cheaper than disposable masks\*

Measurements:
