

SARTORIUS

Pipette Trade-In

Upgrade Your Pipetting and Save up to 40%

Now is the time to trade-in your old pipettes for the most ergonomic electronic or mechanical pipettes available.

Great Savings on New Equipment

- Save up to 40% on your new pipette
- Our pipettes are made to last, meaning fewer replacement ventures in the future

Ergonomics

- Ergonomic design reduces fatigue, resulting in less variation in pipetting results, even during long sessions
- Picus® electronic pipettes with fully electronic operations eliminate most of the physical work required for pipetting
- Reduce the risk of repetitive strain injuries (RSI) in the laboratory

Recycle

- Sartorius' professional staff will properly recycle or dispose of your old pipettes, in accordance with local regulations
- Sartorius will collect and recycle your old pipettes for free

How It Works

1. Select Old Pipettes for Trade-in

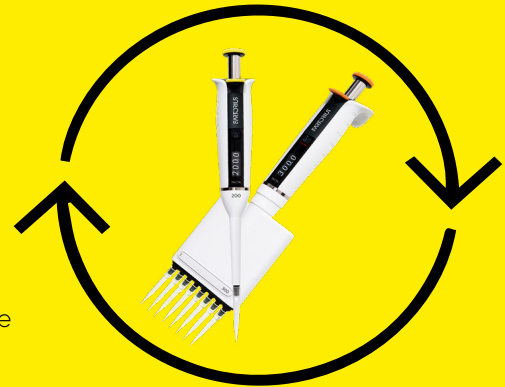

- Any pipette brand or model will be accepted

2. Order Sartorius Trade-in Pipettes

- You can find Customer Service details at the end of this page

3. Free Return Service for Old Pipettes

- After ordering you will receive a link to the UPS portal for easy pipette return service
- Old pipettes must be returned within 30 days after receiving new pipettes

Electronic Pipettes

Picus®

Enjoy your work with the award winning Picus®

- Lightest electronic pipette in market
- Ergonomic design reduces risk of repetitive strain injury (RSI)
