

## TECHNICAL FEATURE

7NK 93VHXX 00 905

The  :

- Ergonomy and design
- Eliminates the fatigue
- Auto-adaptive
- Abrasion-resistant
- Corrosion-resistant

### KONCEPT SEATS / POLYURETHANE / STAINLESS STEEL

Stainless steel 5 star base fitted with glides  
Stainless steel column with height adjustment from  
560 to 810 mm  
thanks to a screw located inside the column  
Deformable seat in black KANGO soft polyurethane,  
tilted of 2° forward  
Assembly on silentbloc. Auto-adaptive system in the  
movements of the user
