

Under-counter Glass Door Pharmacy Refrigerator 145L

Code: CMG125

KEY FEATURES

- 2°C to 8°C temperature range
- Core temperature display, represents your vaccine vial through the temperature probe

- External digital controller and temperature display
- Annual service and Calibration Available
- Battery Back up
- Fitted lock and 2 keys
- 5 year warranty as a standard

Controller

Controller system. Read, Record, Reset with the touch of one button. Adjustable temperature setting.

Battery

Backup Should there ever be a power outage the battery backup will continue to monitor the internal temperature of the fridge.

Porthole

Factory fitted porthole enables quick and easy access for any secondary temperature monitoring probes.

Flexible Storage

Multiple shelf locations. Back stop on every shelf provides a flexible storage solution.

LED Lighting

Low voltage LED lighting, improves running cost as no heat is produced. Long lasting.
